

Heaven Sent Wedding Consultants

www.heavensentweddings.com

Delaware, USA

Making dreams a reality, Heaven Sent Wedding Consultants are a holistic provider of wedding planning and management services in the Tri-State area of Philadelphia, Delaware and South Jersey. Experts in crafting unforgettable experiences with a sense of warm hospitality, the team is comprised of dedicated professionals, each with a unique skillset and background which allows them to offer comprehensive care to each customer. This sense of personalised care is upheld by each member of the Heaven Sent team, each drawing on their own unique education (the team comprises of no less than four BA Degrees and at least one Master's Degree) to gain an insight into how best to serve their guests.

Featured in local press (as well as on Lifetime TV), the Heaven Sent team have earned a reputation for excellence, underpinned by a sense of personal investment in each event they curate. Able to cater to everything from destination wedding planning to bridal showers and RSVP tracking, Heaven Sent are able to curate the whole wedding process, ensuring that the special day (and every day leading up to it) offer a sense of romantic perfection.

Wedding Specialist of the Year

Christina D. Maddox – Heaven Sent Weddings

Delaware, USA

www.heavensentweddings.com

17 years' experience as a full-service wedding and event consulting company has afforded Heaven Sent Wedding Consultants a comprehensive understanding into just what it takes to make a special day truly spectacular. At the head of the team is Christina D. Maddox, the company's founder and certified wedding, event and meeting planner, as well as a certified interior designer and member of the National Association of Bridal Consultants (ABC).

Christina's vision and passion for creating fantastic matrimonial events is reflected in her team of creative professionals, each with a unique background that allows them to offer unique services to each guest. As founder and head of the company, Maddox sets the tone for exactly what each couple can expect when enlisting their services; an exceptional mix of expertise, precedent, creativity and dedication. These are crucial ingredients in turning dream weddings into a reality, and a key factor in the awarding decision.
